Issue/Comment	Raised By	Response
1. Farm Owner		
<ul style="list-style-type: none"> - Fly Management to be taken care of 	Mrs Mpho Getrude Matsena	The project will ensure that it benefits all the community members, furthermore, the Waste Management Plan addresses measures on the fly management.
2. Community Member		
<ul style="list-style-type: none"> - We would like to register as I&AP for our client in the area. Please share with us project details or report for review to determine proximity to client farming operations 	Shubini Consulting & Management Services	A Background Information Document for the project has been sent to your email. Additionally, we added you on our database.
3. Farm Owner		
<ul style="list-style-type: none"> - I am an affected party (Your neighbour) to the proposed chicken layer facility and associated infrastructure. - Please supply me with full details of the project - Please note, this is also the first time I've seen the notice today and I see you are saying parties should response before Friday 7th March 2025. I don't think this notice has been on display long enough 	Stanley Naude	<p>A Background Information Document for the project has been sent to your email.</p> <p>Please note that the site notice for the project was placed on 06 February 2025. Which amounts to the 30 days comment period as per the environmental legislation. However, we added you on our database for further communication related to the proposed projects.</p>
